COLUMN TABLES
Our sculptural side tables are playfully made with geometric shapes, creating a unique design that adds an artistic flair to any room.

Despite the different column design and heights, both tables complement each other nicely, showcasing beautiful silhouettes that enhance the overall aesthetic.

Manufactured by Hung Bing / Designed by Hans Thyge & Co

STRAP LAMP
This LED lamp features a playful design with a convenient strap at the top, allowing you to easily carry it wherever you go.

It's rechargeable and offers three stages of light, so you can adjust the brightness to suit your needs, whether you want a soft glow for relaxing or a brighter light for tasks.

Manufactured by Hung Bing / Designed by Hans Thyge & Co

LOOP POUF

Our recycled pouf collection is crafted from reused FSC wood, recycled carpet waste and upholstered with a recycled textile ensuring both sustainability and comfort.

The pouf features a convenient strap handle adorned with a decorative button, making it easy to carry and move. The collection is available in a bouclé look in three different colours.
